

Welcome to College Algebra!

Students,

This is your College Algebra summer homework packet. The work in this packet is designed to help sharpen the essential skills you will need to be successful in the College Algebra course.

Please work all the problems in the packet. Show your work on all the problems. The packet is due the 2nd class meeting when we return in August. *It will be graded for completion and accuracy.*

I am excited to work with you in this new adventure on your Mathematics journey.

Your textbook is

College Algebra with Modeling & Visualization, 5th Edition

9780321845092

The following websites can also be helpful:

www.purplemath.com
