RE: 2017-18 Textbooks

Dear Parents:

We are pleased to announce that Pope John Paul II High School is continuing its partnership with Follett Virtual Bookstore as our school's preferred and only textbook provider for the 2017-18 school year. Books will be available for purchase on July 11, 2017 on our virtual bookstore website, www.jp2hs.bkstr.com.

How our virtual bookstore benefits you:

Discount

- Follett will offer a 10% discount off used purchases and 10% off new and used rental for the first 4 days the site is live (July 11th – 14th) plus free ground shipping. Please enter promo code TEXT10 at checkout.

Book Options

- Choose from new books and money saving used books that have been bought back from our current families at the end of each school year. Follett also offers textbook rental on selected titles. Rental books are typically half the price of purchasing the new edition.

Fast Delivery

- Follett ships all orders from their warehouse the same or next business day via FedEx. Expedited shipping options are available, but it is best to order early for the best used book selection.

Customer Service

- Follett accepts returns on books purchased or rented through the website 30 days from your order date or 30 days from the start of classes, whichever is later. Follett's dedicated customer service team is available by phone at 877-827-2665 seven days a week to provide assistance and answer your questions.

Our textbook list along with the ISBN numbers will be posted on our website, <http://www.jp2hs.org/campus-life/textbooks/>, by May 15, 2017 if you choose not to purchase your textbooks through Follett.

The average cost of textbooks is \$300-\$500 depending on your student(s) courses. In order that your student is fully prepared for class on August 7, 2017, we strongly encourage you to purchase textbooks as soon as possible.

Please note the following:

- Paperback novels for all English classes must be purchased new, not used. Students receive annotation grades and must have books that have not been previously annotated.
- We encourage you to purchase your textbooks through Follett to ensure you receive correct editions of textbooks.
