Welcome to Camp JPII 2018!

For over 13 years, Camp JPII has offered summer camp opportunities. Camp JPII represents a unique blend of summer fun and educational opportunities. Our goal is to create an atmosphere in which campers feel confident and excited to develop their current interests and to explore new ones. We also hope that your camper will make new friends and create life long memories.

We offer a variety of art, academic, and athletic camps. Our camp sponsors are eager to serve you and your campers and we look forward to sharing a happy camp experience with you!

Looking forward to seeing you in June!

- All Sports Camp ......................................... 16
- Tennis .................................................... 16

### June 25th - June 29th
- Model United Nations & Debating ....................... 16
- Digital Media Camp ..................................... 16
- Boys’ Lacrosse .......................................... 17
- Creative Writing ........................................ 17
- History of Warfare through Dodgeball .................. 18
- Filmmaking for Kids .................................... 18
ACT Primer Review
Ages 14 to 19

Here’s a one-stop, concentrated prep class geared specifically to those taking the ACT exam on June 9th. The ACT Primer Review offers an overview of each of the four tests and the skills they assess, plus types of questions to expect, strategies for answering questions, practice sessions, and resources for further study and practice. Strategies for approaching the Writing Exam are also included. Campers are required to independently purchase The Official ACT Prep Guide, 2018 Edition, Revised and Updated, available at any bookstore or online before the start of camp, and bring a calculator and pencils.

Patrick Connolly teaches AP Literature and Composition and English 12 Advanced and has been at JPII since 2004, after transitioning from a journalism career. He and Mrs. Peper have been holding ACT tutoring sessions for two years. Mr. Connolly holds a B.S. in Journalism from the University of Florida and M.Ed. from Belmont University.

Amanda Peper is a math teacher and the assistant women’s soccer coach at JPII. Mrs. Peper has a B.S. in Mathematical Sciences from Clemson University and an M.Ed. in Mathematics Education from Vanderbilt University. She has taught math and coached men’s and women’s soccer at JPII for seven years.

Co-ed Basketball
Ages 7 to 14

The JPII men’s and women’s basketball coaches and players will demonstrate and teach the campers the basic fundamental skills and knowledge of the game. Each camper will receive instruction in all aspects of play including ball-handling, passing, catching, shooting, and defense. Campers will be divided according to age and will see their skills improve through small group instruction, drills, and game experience.

Angi Puckett is the head women’s varsity basketball coach at JPII. Coach Puckett played college basketball for the University of Indianapolis. Prior to arriving at JPII, Coach Puckett was the head coach at Spanish Fort High School in Spanish Fort, Alabama.

Charles Wade is the head men’s varsity basketball coach at JPII. Coach Wade played college basketball at Trevecca Nazarene University. Before arriving at JPII, Coach Wade was a physical education teacher and a football and basketball coach for Metro Nashville Public Schools for 13 years, most recently at Bellevue Middle School.

Golf
Ages 7 to 17

Golf Camp will cover the basics of golf. The full-swing fundamentals will be covered, including grip, posture, alignment, and ball position. The camp will also cover short game basics, including pitching, chipping, putting, and bunker play. Each camper will be given one-on-one as well as group instruction in each area of the game. Campers will also have the opportunity to put their skills to the test through fun competitions and playing on a mini course. Please note that the cost of the camp includes a $25 greens fee and that campers must be dropped off and picked up at Twelve Stones Golf Course. COST $170.

Chris Wantz is the head men’s and women’s golf coach at JPII and has served in this position for the last 12 seasons. She has been a member of the PGA of America since 1999. Coach Wantz brings over 20 years teaching experience.
SCIENCE SLEUTHS... ENGINEERING A HAPPILY EVER AFTER
Ages 7 to 12

Science becomes active as the Science Sleuths of 2018 spend a week investigating what actually happened in the nursery rhymes of our childhood days. Why was the wolf able to blow the house down and could we design one to withstand his breath? How did the cow jump over the moon? Did he use a rocket? What about Humpty Dumpty? Could we save him by designing a better parachute? Each day we will investigate how things move and then will be presented with an engineering challenge to test our skills. We will have a blast during Sleuth camp this year engineering away the problems of the nursery rhyme characters so that they can live happily ever after!

Jennifer Dye is the founding Science Department Chair at JPII and the Director of Innovation. She has led the department in innovative changes by inverting the curriculum to a Physics First approach and implementing modeling instruction. She has led the Science Sleuths camp since JPII began, and many of those students are graduates of JPII.

HISTORY OF WORLD WAR II THROUGH AXIS & ALLIES
Ages 10 to 15

This camp is for those who love reading about famous battles or watching documentaries on the History Channel and who enjoy playing board games, especially those that require cunning and strategy. For the third time ever, this camp will focus exclusively on World War II. Using the Axis and Allies 1940 Europe and Axis and Allies 1940 Pacific board games (5 feet of World War II action, over 1,000 military units to command), history lectures, and documentaries, campers will be able to learn about various events in World War II and will get a chance to change the entire course of the war through our board game simulation.

Paul Saboe is a history teacher at JPII, as well as the Model United Nations coach. Mr. Saboe earned a B.A. in Public Policy from Washington and Lee University and first worked as an Inspector for the Office of Inspector General, Department of Justice before entering the education field. One of the founding teachers, he has taught at JPII for 16 years.

SOCCER
Ages 7 to 14

This camp is designed for boys and girls of all skill levels in soccer. For elementary-age players and players who have only a basic familiarity with the game of soccer and/or an interest in becoming a more skillful player, the focus will be on building or developing the four basic soccer skills: dribbling, passing, defending, and shooting. For middle-school age players who have played competitive soccer before and want to continue their development towards higher levels of competition, the focus will be on further development of the basic soccer skills and refinement of game-specific techniques and strategy. Campers should bring a water bottle, sneakers, cleats, and a size 4 or 5 soccer ball (depending on players’ size and preference) every day. Shin guards are recommended but not required.

Mark Crowley is an English and Latin teacher, the JV men's soccer head coach and the varsity men's assistant coach at JPII. Coach Crowley has coached both men's and women's soccer at the varsity, junior varsity, middle school, and club levels since 2011. He helped lead Frederica Academy in South Georgia to back-to-back state championships in 2012 and 2013.
Ready...Set...GO ALGEBRA!  
Ages 10 to 14

Ready...Set...GO ALGEBRA is a week of exploration and discovery that will have your middle schooler diving into mathematics that is fun, hands-on, and accessible to all levels of ability. Students will explore number patterns, create mathematical models, and tap into strengths they might not realize they have. This camp offers a "sneak peek" on how we do math at JPII.

Dr. Betty Reynolds teaches Algebra I and II at JPII. As former teacher and principal of Holy Rosary Academy in Nashville, Dr. Reynolds brings nearly 30 years of experience encouraging students of all levels to enjoy mathematics.

Study Skills for Success  
Ages 12 to 18

This camp will help you soar into your new grade or new school with confidence. Practice organizational skills and grab some tips for succeeding on tests and quizzes while also exploring multimedia and technology skills to use in the classroom.

Michael Patton has taught English at JPII for five years. In addition to teaching English, he has also taught study skills courses in middle schools, high schools, and summer camps for 14 years.

Artist Trading Card Camp  
Ages 7 to 14

Artist Trading Cards (or ATCs) are tiny works of art made by artists to try new techniques, test new materials, expand creative ideas, and even trade with other artists. ATCs have only one rule: they must be the size of a trading card (about 2 ½ x 3 ½ in). Because of their small size, this relatively quick process will allow students to explore several 2D art-making techniques including: drawing, painting, watercolor, stamping, mixed media collage, printmaking, photography, and more! Each day we will explore different techniques to apply to the cards. At the end of the camp, students will come home with a series of 10 to 20 (or more!) small artworks that can be traded with other artists, or framed together as a larger piece!

Cassidy Johnson is a recent graduate of Western Kentucky University's studio art program (Class of 2016), as well as a JPII alumna (Class of 2012). She has experience in a variety of the visual fine arts, with special interests in drawing, painting, mixed media collage, and photography.

Essay Writing for high school students  
Ages 12 to 18

Through a variety of fun and entertaining exercises and drills, campers will be taught the basics of identifying different types of essay questions, forming a thesis statement, crafting a topic sentence, gathering facts and details, presenting careful analysis, and incorporating information from primary source documents. This promises to be a great way to better master essay-writing in the social sciences and to get a leg up for the upcoming academic year.

For bio see page 5.
Join us for a Track and Cross Country Camp. Come experience and learn running techniques, drills, strength and conditioning, and field events including long jump, high jump, shot put, and discus. Have fun competing in relays, obstacles courses, and team challenges while improving your skills as an athlete. Prizes and food awarded throughout the week! Make sure to wear appropriate running clothing as well as your running shoes.

Kim Childress is a math teacher at JPII, as well as the head coach for the cross country and track teams. Coach Childress has been coaching track and field at the middle school and high school level since 2004. She has coached two state champion athletes at East Nashville Magnet High School, where her team placed 2nd in the state in 2011. Coach Childress loves running and still competes in 5Ks and half marathons around the Nashville area. Kim has been teaching Advanced Algebra classes and coaching at JPII since the fall of 2015.

Betsy Pierpaoli has worked in the JPII business office since the school’s opening in 2002, and is the JPII assistant cross country coach and assistant track coach. With a passion for running that was fostered in high school, Coach Pierpaoli has run 15 half marathons, 4 full marathons, and completed one half ironman, and is looking forward to sharing that passion with younger runners, enabling them to develop their running skills.

This camp is designed for children with little or no previous tennis experience. Emphasis will be on fundamentals, basic principles of stroke production, as well as learning to hit the ball back and forth through games. Low compression balls and smaller courts are used to ensure children have better control and experience success from the very beginning. Campers should bring their own tennis racquet.

Danny Castro is entering his seventh season as the head coach at JPII for both the men’s and women’s team. He played collegiate tennis from 1998 to 2001 at UT-Martin where he helped the men’s Sky Hawks to four consecutive top-three finishes in the Ohio Valley Conference. He is a USPTA Certified Coach and currently serves as the Head Pro at Summercrest Tennis Club in Ridgetop and Indian Lake Swim & Tennis in Hendersonville.
**Dance**  
**Ages 5 to 12**  
**Jamie Jordan**  
**ggjams@gmail.com**  
Are you ready to dance at JPII's Knights Dance Camp? Coach Jordan and the JPII dance team, the Knight Stars, will teach dancers jazz, pom, and hip-hop routines along with dance technique and fun dance games! The focus of this camp is to learn and perfect dance skills performed on a dance team and to have fun!  
Jamie Jordan is the head dance coach at JPII. She has coached many dance teams in Tennessee, winning state and national championships. Coach Jordan’s dancers have performed with Taylor Swift! She was voted Sumner County’s Best Coach in The Tennessean.

**Beginning Level Robotics**  
**Ages 10 to 14**  
**Rebecca Jansing-Kaestner**  
**rebecca.jk@jp2hs.org**  
Do you like building cars? Would you like to make a ballerina dance? In Beginning Robotics, campers will learn to build and program a Lego Mindstorm robot. The emphasis will be on getting the robot to move, turn, and utilize sensors. In the spirit of FIRST Lego League, campers will use cooperation within a competition setting to solve problems.  
Rebecca Jansing-Kaestner is a science teacher at JPII. Mrs. J.K. has been teaching science for 25 years. Over the past five years, she has been involved in LEGO robotics programs. She was trained at Carnegie-Mellon’s Robotics Academy. Their philosophy is teaching through competition in the classroom.

**Making the Ordinary Extraordinary**  
**Ages 4 to 9**  
**Susan Deely**  
**susan.deely@jp2hs.org**  
Students will explore texture, abstract art, shapes, images, depth and patterns using chalk, glue, crayons, string, glitter and so much more. Students will learn art through culture and the different techniques associated with the projects as well as have a lot of fun in the process. There are differences in projects from last year so students from last year’s summer course will experience new projects.

Susan Deely teaches Advanced English 10 - European Studies at JPII. With 17 years experience in education from San Diego, CA, she has enjoyed being a volleyball and track coach, teacher, and administrator. Her passions include being with her family, especially her two young children. Unleashing creativity and helping to foster imagination in each student is Mrs. Deely’s inspiration for teaching.
Volleyball
Ages 8 to 13
kimshaver@bellsouth.net

Come join Lady Knights players and staff at JPII Volleyball Camp! This camp will provide a fundamental environment for beginning players to learn and improve court movement along with the very basics of volleyball! Campers will use lighter balls and a modified court size to ensure success for all beginners! This camp will also provide a more intense learning environment for intermediate/advanced players to grow in expertise and hone all of their volleyball skills. Each camper will receive instruction in ball control, passing, setting, hitting, serving, and defense. Individual drills, group instruction, and game experience will meet the needs of all ages and ability levels.

Kim Shaver is the head volleyball coach at JPII. Coach Shaver played volleyball at Tennessee Tech University. She has been the head coach of the JPII volleyball team for nine years, and has coached over 20 combined seasons at the high school, middle school, and club level.

Softball
Ages 8 to 14
JODY BROTHERS
jvb8@comcast.net

Join Coach Brothers and JPII players and learn the fundamentals of softball in a fun environment. Campers will be taught the techniques of throwing, catching, pitching, fielding, base running, base stealing, and hitting. Campers must bring their softball gear, cleats and tennis shoes.

Jody Brothers is the head softball coach at JPII as well as the Athletic Director for St. Joseph School in Madison, TN.

History of Warfare through dodgeball
Ages 8 to 13
paul.saboe@jp2hs.org

Competitions and conflicts that involve dodging and launching projectiles have existed throughout history and can be traced to the development of siege equipment and artillery. Leaving warfare aside, camp participants will have the opportunity to engage in a number of fun, physical competitions that promote physical well-being, strength and conditioning, tactics, leadership, and teamwork. Specifically, students will engage in games of traditionally and modified dodgeball, the JPII favorite “battleball”, traditional kickball, the JPII variation of “clump ball”, and “Bombard”. All the while, students will enjoy mini-lectures on the uses, successes, and failures of artillery from ancient history through current conflicts.

For bio see page 5.

Dance
Ages 5 to 12
ggjams@gmail.com

Are you ready to dance at JPII’s Knights Dance Camp? Coach Jordan and the JPII dance team, the Knight Stars, will teach dancers jazz, pom, and hip-hop routines along with dance technique and fun dance games! The focus of this camp is to learn and perfect dance skills performed on a dance team and to have fun!

Jamie Jordan is the head dance coach at JPII. She has coached many dance teams in Tennessee, winning state and national championships. Coach Jordan’s dancers have performed with Taylor Swift! She was voted Sumner County’s Best Coach in The Tennessean.

Beginning Level Robotics
Ages 10 to 14
rebecca.jk@jp2hs.org

Do you like building cars? Would you like to make a ballerina dance? In Beginning Robotics, campers will learn to build and program a Lego Mindstorm robot. The emphasis will be on getting the robot to move, turn, and utilize sensors. In the spirit of FIRST Lego League, campers will use cooperation within a competition setting to solve problems.

Rebecca Jansing-Kaestner is a science teacher at JPII. Mrs. J.K. has been teaching science for 25 years. Over the past five years, she has been involved in LEGO robotics programs. She was trained at Carngie-Mellon’s Robotics Academy. Their philosophy is teaching through competition in the classroom.

Jody Brothers is the head softball coach at JPII as well as the Athletic Director for St. Joseph School in Madison, TN.

Kim Shaver is the head volleyball coach at JPII. Coach Shaver played volleyball at Tennessee Tech University. She has been the head coach of the JPII volleyball team for nine years, and has coached over 20 combined seasons at the high school, middle school, and club level.

“Inspired by faith, Pope John Paul II High School prepares students to be strong in mind, body, character, and spirit for lives of learning and service, according to the Gospel.”
**June 11th - June 15th**  
**9:00 A.M. - 12:00 P.M.**

**Explore Baseball Sabermetrics & Statistics**  
Michael Patton  
Ages 9 to 16  
michael.patton@jp2hs.org

Campers will learn about, discuss, and analyze various baseball statistics, both traditional and modern. We will attempt to rank players throughout history and will assemble ideal rosters and lineups based on different scenarios. Campers will also learn how to keep an official scorebook.

For bio see page 6.

**June 11th - June 15th**  
**12:30 P.M. - 3:30 P.M.**

**History of Warfare through Star Wars**  
Paul Saboe  
Ages 8 to 13  
paul.saboe@jp2hs.org

Through a focus on “a galaxy far, far away”, campers will have the chance to become a Jedi Knight and a historian by learning how democracies becoming dictatorships with an emphasis on “The Galactic Republic” and Ancient Rome, examining the “Journey of the Hero” present in the Star Wars saga and in Ancient Greek mythology, and studying the ways in which totalitarian regimes like “The Empire”, Nazi Germany, and Fascist Italy thrived and fell. A special focus will be placed this year on the real life historical events referenced in Episode 8: The Last Jedi and Solo: A Star Wars Story. Not only will campers compete as members of The Resistance and First Order, we will spend our last day of camp learning the ways of Galactic Warfare through a special dodgeball variation.

For bio see page 5.
The Music Experience  
JORDAN TUPPER  
JORDAN.TUPPER@JP2HS.ORG  

The JPII music department is proud to present this hands-on experiential camp. Campers will have the opportunity to see great performances, play a variety of musical instruments, and explore musical concepts through voice, dance, and stage performances. No experience is needed, only a willingness to explore the gift of music throughout the world.

Jordan Tupper is Director of Instrumental Music at JPII. He is an active member in the Nashville music community and is an accomplished musician in multiple instruments and genres. Mr. Tupper holds degrees from Elon University and Austin Peay State University in Music Education.

Cheerleading  
CYNDI GLENN  
CYNDI.GLENN@JP2HS.ORG  

At JPII Cheerleading Camp, we focus on the fundamentals of cheerleading. JPII cheerleaders will teach sideline cheers, jumps, stunts, a dance and most importantly, teamwork! We emphasize the proper technique on all skills at camp to help prepare each individual for their next step in cheerleading! This camp is open to both individuals and school squads.

Cyndi Glenn is the basketball cheerleading coach at JPII. Coach Glenn has over 25 years of coaching experience with cheerleaders of all ages. She has been the basketball cheerleading coach at JPII since 2006.

Junior Cheerleading  
EMMA GILLCRIST  
EMMA.GILLCRIST@JP2HS.ORG  

At Junior Cheerleading Camp, we focus on the fundamentals of cheerleading for young cheerleaders. The JPII football and competition cheerleaders will teach sideline cheers, a dance routine, and the basics of jumps and stunting! We emphasize the proper technique on all skills at camp to help prepare each individual for their next step in cheerleading! Campers will show off all of their new skills at a pep rally for parents at the end of the week!

Emma Gillcrist is a math teacher and the football and competition cheerleading coach at JPII. Coach Gillcrist cheered competitively for five years for the Extreme Spirit All-Stars in Clinton, North Carolina. She attended the University of North Carolina in Wilmington where she was a member of the Seahawks Dance Company.
Study Skills for Success
Ages 12 to 18
Michael Patton
michael.patton@jp2hs.org

This camp will help you soar into your new grade or new school with confidence. Practice organizational skills and grab some tips for succeeding on tests and quizzes while also exploring multimedia and technology skills to use in the classroom.

See bio on page 6.

Beginning Level Robotics
Ages 10 to 14
Rebecca Jansing-Kaestner
rebecca.jk@jp2hs.org

Do you like building cars? Would you like to make a ballerina dance? In Beginning Robotics, campers will learn to build and program a Lego Mindstorm robot. The emphasis will be on getting the robot to move, turn, and utilize sensors. In the spirit of FIRST Lego League, campers will use cooperation within a competition setting to solve problems.

See bio on page 8.

Girls’ Lacrosse
Ages 7 to 14
Mary Leonard ’11
mary.leonard@jp2hs.org

The Girls’ Lacrosse Camp will focus on the fundamentals of the game. Players will work on catching, throwing, and cradling along with some offensive and defensive strategies. This camp will help players to improve upon their stick skills, dodging, and defensive positions.

Mary Leonard is the head women’s lacrosse coach at JPII. She is a graduate of JPII and went on to play Division I lacrosse for four years at Davidson College. She has also coached travel lacrosse teams in Tennessee and North Carolina and is the middle school lacrosse coach for the Hendersonville Knights.

Baseball
Ages 5 to 14
Chris Parker
chris.parker@jp2hs.org

JPII Fundamentals Baseball Camp will be led by the JPII coaching staff and will be held at the always green Servpro Field on the campus of JPII. Campers will be taught the fundamentals of throwing, catching, pitching, fielding, base running, base stealing, and hitting. Along with these skills, campers will learn life lessons to help them grow as individuals on and off the baseball field. Campers must bring their baseball gear, cleats and tennis shoes.

Chris Parker is the head baseball coach at JPII. He is one of only two coaches in the history of Tennessee high school baseball to lead three different programs to the state tournament. Coach Parker is also the head coach of Team Tennessee, which takes the 20 best underclassmen each year to Oklahoma to compete in the prestigious Sunbelt Classic. Since taking over Team Tennessee, he has led them to three Sunbelt Classic Championships and three runner-up finishes since 2010. He has also been a part of USA Baseball the past three years, serving on numerous task forces and coaching in the 12U National Open in 2016, and now serves as the state director of Tennessee for USA Baseball.
Dinosaur Dig Expedition
Ages 5 to 10

If you like dinosaurs, you will enjoy this class. Campers will learn about dinosaurs, fossils, plate tectonics, the ice age, and how to excavate. Campers will go on hikes around the JPII campus where fossils have been known to lurk. If you want to experience what a dig is like, this is the class for you. Hands will be in dirt, clay, mud, and ice.

See bio on page 8.

Creative Play: Theatre for Youth
Ages 7 to 12

Nurturing our childhood imagination through theatre, young performers will create characters and stories that enhance learning through collaboration. In this technological age it is easy to become disconnected from others. Creative Play is about making connections through interactive play. Children will explore the basics of theatre with games and exercises while also being encouraged to explore performing in a safe environment. There will be a performance at the end of the week that incorporates all that was shared throughout the week.

This theatre program will:
• Challenge the individual artist to explore their fullest potential
• Build confidence in group projects and getting their voice heard
• Develop the young artist’s discipline in theatre
• Discover individual contributions as a necessary part of the whole project
• Create friendships that last a lifetime

Zac J. Campbell is proud to be Director of Theatre Arts at JPII. He teaches an active theatre curriculum which include: Beginning/Intermediate Theatre, Honors Acting, and Stage Craft. Having earned his M.F.A. in Acting, with a specialty in movement, from UNCG, he is well versed in voice, movement, stage combat, and acting for the camera. In 2004, Mr. Campbell was the co-founding director of Footlight Players at Indiana University of PA, a program that continues to thrive to this day. In addition, he has been guest director at various children’s theatres.

Essay Writing for high school students
Ages 12 to 18

Through a variety of fun and entertaining exercises and drills, campers will be taught the basics of identifying different types of essay questions, forming a thesis statement, crafting a topic sentence, gathering facts and details, presenting careful analysis, and incorporating information from primary source documents. This promises to be a great way to better master essay-writing in the social sciences and to get a leg up for the upcoming academic year.

For bio see page 5.
Does your child love to argue with you? This is an opportunity for your child to channel that love for arguing towards something good, solving world problems and developing the art of discourse and debate through Model United Nations (UN) simulations! Led by our nationally ranked Model UN coach, participants will be thrust into the heart of the global world as they learn to research and role play countries in international debates that tackle such pressing and timely issues as halting the spread of the Zika Virus and combatting ISIS and terrorism. These experiences will help participants learn about a broad spectrum of international issues and how to achieve conflict resolution and how to debate. This camp is a great foundation for students interested in participating in Model UN Conferences in middle or high school. It will help incoming freshmen prepare for the JPII Model UN Conference and enable returning students to gain more experience debating and even leading committees as committee chairs.

See bio on page 5.

Campers will explore creating original content through blogging, podcasting, and producing short videos. In addition to using creative writing skills to blog, campers will be choosing interesting topics, researching, outlining, creating intriguing discussions, and editing audio and video content.

See bio on page 6.
**BOYS' LACROSSE**  
*Ages 8 to 14*  

JPII Boys' Lacrosse Camp is designed to develop players’ fundamental skills and field sense. Campers are organized by age and ability for position work and field competition. Activities include daily scrimmages, intense position work, and detailed attention to the fundamentals of the game such as passing, catching, cradling, shooting, dodging, defense, and scooping. The coaching staff will provide each athlete with an evaluation designed to assist the athlete in his on-going effort to improve his play. Campers that own equipment should bring their lacrosse sticks and all gear. JPII will lend sticks and equipment to campers as needed.

Bob Page has been a history teacher and the head varsity lacrosse coach at JPII since 2007. He played Division I lacrosse at the University of Virginia. Over the last 10 years, JPII has won two Division II state titles (2009, 2011), and Coach Page was awarded Tennessee Coach of the Year in 2011.

**CREATIVE WRITING CAMP**  
*Ages 8 to 12*  

Creative Writing Camp introduces campers to the fun of language through word games, group stories, poetry, and short stories. Creative writers will learn the tricks that great authors use to create curious characters, pleasing poetry, and silly stories. Campers will be highly engaged and amused while learning valuable critical thinking, language, and literacy skills. “If you are a dreamer, come in...for we have some flax-golden tales to spin. Come in!” – Shel Silverstein

Jennifer Smith has taught English for the past 22 years and serves as the English Department Chair at JPII. She currently teaches Creative Writing and Documentary Filmmaking in the JPII Innovate Program. Mrs. Smith’s professional interest and current research includes how the arts and project-based learning, like courses in creative writing and filmmaking, motivate students and support English literacy.
History of Warfare through Dodgeball  
Ages 8 to 13  
Paul Saboe  
paul.saboe@jp2hs.org

Competitions and conflicts that involve dodging and launching projectiles have existed throughout history and can be traced to the development of siege equipment and artillery. Leaving warfare aside, camp participants will have the opportunity to engage in a number of fun, physical competitions that promote physical well-being, strength and conditioning, tactics, leadership, and teamwork. Specifically, students will engage in games of traditionally and modified dodgeball, the JPII favorite “battleball”, traditional kickball, the JPII variation of “clump ball”, and “Bombard”. All the while, students will enjoy mini-lectures on the uses, successes, and failures of artillery from ancient history through current conflicts.

Filmmaking for Kids  
Ages 8 -12  
Jennifer Smith  
jennifer.smith@jp2hs.org

Have you ever wondered how movies are made? Be a filmmaker at JPII! During this week of camp, campers will explore the entire filmmaking process: scriptwriting, casting, costume and set design, filming, and editing. Using iMovie, students will learn how a story becomes a movie as they enhance literacy, digital literacy, and teamwork skills through this project-based learning experience. At the end of the week, students will have a film they can share with others.

See bio on page 13.

CAMP FEES & IMPORTANT INFORMATION

Cost:
All Camps*: $145  
*Golf Camp is $170

Optional Fees:
Weekly lunch = $30  
Before Care = $40 - 7:30 a.m. to 9:00 a.m  
After Care = $50 - 3:30 p.m. to 5:30 p.m.  
Before and After Care = $75  
*Campers should bring something to do during before and after care, as entertainment will not be provided.
Meal Plans:
Campers have the option of bringing their own lunch or purchasing a meal from the dining hall each day. Weekly meal plans are also available for $30/week and include an entrée, side, and beverage (milk, juice, water and fountain drinks). Should your camper wish to purchase extra items or snacks throughout the day, please send cash. For more information about the dining hall or meal plans, please contact Laine Kelly at laine.kelly@jp2hs.org or 615-590-6033.

What to Bring?
Campers should bring a water bottle, snack, change for the vending machines, and sunscreen for outdoor camps. Campers should also wear comfortable clothing and appropriate shoes.

What NOT to Bring?
We recommend campers not bring valuables to camp (iPods, large amounts of cash, Gameboys, PSP’s, etc.) as his/her bags may be unattended at times.

Important
▶ Full payment is due with registration.
▶ Registration will be closed once a camp is at capacity.
▶ Camp fees are non-refundable after May 1, 2018.
▶ Refunds must be requested in writing prior to May 1, 2018. If a camper must withdraw, a processing fee of $50 will be charged.
▶ JPII reserves the right to cancel a camp if it is not filled to capacity or if unforeseen circumstances arise.
▶ Parents, please escort your camper to check-in on the first day.
▶ Parents, please let us know if there are any medical conditions or custody considerations for your camper that we should be aware of.
▶ Parents, campers MUST be signed out by a parent or designated individual at the end of camp each day.
