				Back to School Night for Parents Gathering Begins at 5:30 pm Program Begins at 6:00 pm		

Students: when you arrive at school on Monday, August 6 check the windows in the commons area for Advisory meeting locations. You'll go there first. Be there by 8:30 am! You will receive an updated class schedule in your advisory meeting. You should follow THAT schedule – some changes may be necessary between Registration and the first day of school.

Parents: Back to School Night is on Thursday, August 9. This is an opportunity to meet your student's teachers and experience a fast paced "Day in the Life". Please park in the student parking lot and enter through the doors near the pope statue. Beginning at 5:30, you can pick up your student's schedule. The program will begin at 6:00 in the auditorium.

There is a late start on Friday, August 10. Class begins at 9:00 am.
