## *The Book Thief* by Markus Zusak

It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. But he has a story to tell – the story of *The Book Thief*.

Death introduces us to Liesel Meminger, a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. Death watches Liesel as she grows, learns who she is, and as the growing storm of war draws closer and closer to her small German town.

In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time.
